**ORDER APPROVING REIMBURSEMENT OF EXPENSES OF THE FIRST FEE  
APPLICATION OF WILSHIRE SCOTT & DYER, P.C. (Doc. #108) AS ADJUSTED**

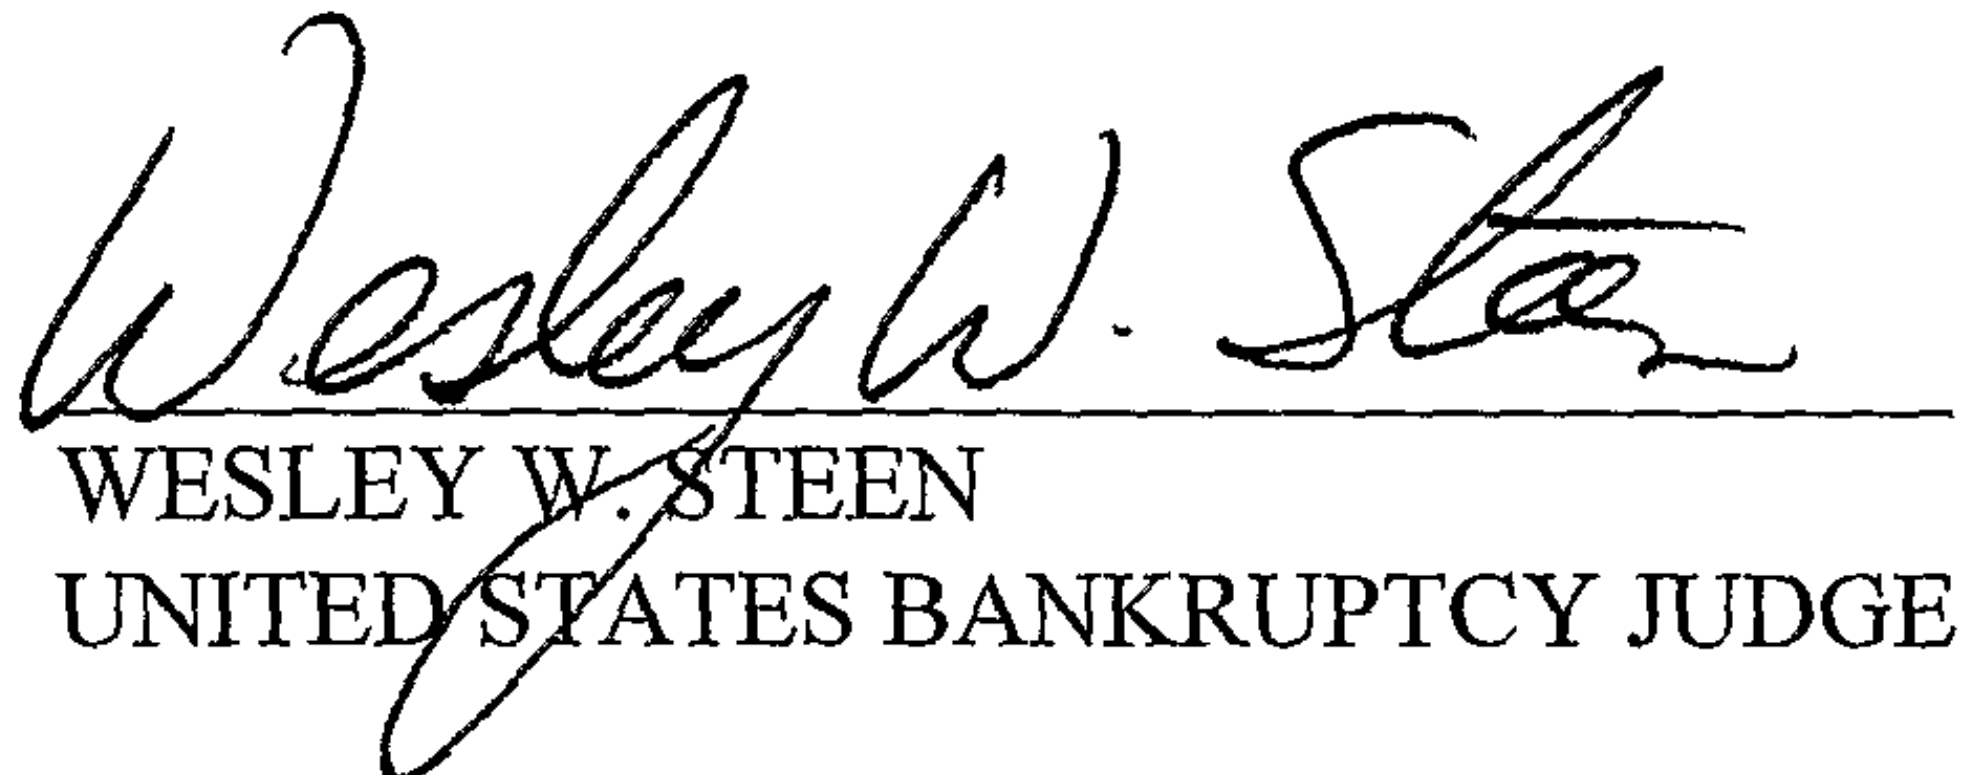

On April 16, 2001, the Court held a hearing on the First Fee Application of Wilshire Scott & Dyer, P.C. ("Application"). The Court considered the factors required by the Fifth Circuit Court of Appeals for approval of fee applications and considered that those requirements had been met, except as to the expenses included in the Application. The Court approved the Application as to the fees only.

The Court directed that the Applicant file a Supplement to its Application, summarizing the expenses.

After the Court's review of the Supplement, the Court approves the expenses, except as shown on the attached chart.

Therefore, the Court approves reimbursement of expenses in the total amount of \$5,352.82. The reasons for adjustment to expense are shown on the attached chart.

SIGNED April 18, 2001.
